SUNBRELLA, is the premier performance fabric for awning and marine applications. With its legendary combination of durability, water repellency, breathability and beautiful style, Sunbrella® fabric is the perfect canvas for shading on land or at sea.

8408-0000 BLACK

SUNBRELLA PLUS is our traditional Sunbrella awning and marine fabric with a durable polyurethane undercoating for superior water resistance. Sunbrella Plus uses standard Sunbrella colors for easy color coordination and is ideal wherever water resistance is essential.

39008-0000 BLACK

SUNBRELLA VIEW is a shade fabric that filters up to 93% of the sun's heat and light, keeping interior environments cool during warmer months. It brings the legendary performance guarantee of Sunbrella to roller shades, solar screens vertical blinds and more, delivering beautiful shade that lasts for years.

9408-0000 BLACK

SUNBRELLA SUPREME, is a luxurious, waterproof exterior marine fabric featuring Sunbrella canvas on the exterior face, and a special Sunbrella flocking on the reverse side. The unique bonding process creates a waterproof Sunbrella canvas with a beautifully soft headliner underneath.

10-YEAR LIMITED WARRANTY

This limited warranty protects the original purchaser from Sunbrella awning and marine fabric becoming unserviceable due to color or strength loss from normal usage and exposure conditions, including sunlight, mildew and atmospheric chemicals. The limited warranty coverage period is ten years from the date of original installation (five years for specialty fabrics Sunbrella Plus, Supreme and View). For more information about the Sunbrella limited warranty, visit www.sunbrella.com/warranty.

CARE AND CLEANING

One of the best ways to keep Sunbrella fabrics looking good and to delay the need for deep cleaning is to rinse regularly with clear water to help prevent dirt from becoming deeply embedded in the fabric.

Sunbrella fabrics can be cleaned while still on an awning frame or boat top. Simply brush away loose dirt, rinse and clean with a mild, lukewarm soapy solution. Rinse thoroughly and allow to air dry. For detailed cleaning instructions, visit www.sunbrella.com/cleaning.

SKIN CANCER FOUNDATION RECOMMENDATION

The Skin Cancer Foundation recommends Sunbrella* as an aid in the prevention of sun-induced damage to the skin. Please use shading products featuring Sunbrella as a part of your complete sun protection regimen, including regular use of sunscreen.

*Does not apply to styles of Sunbrella that are designed for transparency, such as Sunbrella View.

NOTE: Sunbrella Silica fabrics are distinctly different from front to back. Either side is usable. Please be consistent in orientation.
